Dear Christians and Truth Seekers,

DON'T MISS OUT - MY NEW BOOK IS OUT!
The Death Of True Christianity in America, by Pastor Stephen M. Brown; exposing the brain-washing and propoganda that has caused America to turn from God and become a wicked and ungodly nation. God is judging America right now and will destroy it, if Americans do not repent.

The book is God's word to America and calls all Americans to repent and turn back to God and practice true Christianity again, so God can show mercy. It exposes our anti-Christ churches as practicing counterfeit Christianity that God hates. It exposes the Supreme Court as wicked communists that abolished Christianity in our public schools and government, and also have legalized abortion and murdered 65 million babies.

Our culture rejects God and Christian morality, and practices paganism. America is wicked, and only as the states and the people repent and rebel against the Supreme Court and false churches, and worship and obey God regarding these major moral issues, and obey the true Gospel, can they be saved from destruction.

If you love God and America and want to help save America from God's judgment, this book is a must read. You can join the new Christian movement the Lord is starting, that obeys God and works to **MAKE AMERICA CHRISTIAN AGAIN**. Do not delay. God wants all his people to join it. Through it he will bring a **GREAT AWAKENING** and many souls will be saved! **"With God all things are possible!"** TheDeathofTrueChristianityinAmerica.com
